Notice of Upcoming Construction Works

Waitohi Domain

Kia ora,

We are writing to inform residents and businesses within 100 meters of the Waitohi Domain about **upcoming site establishment works** for the **Waitohi Ferry Redevelopment Project**.

Work times and dates

- **Expected start:** Monday 25 May 2026
- **Working hours:** 7am to 6pm, Monday to Saturday.
- As the project progresses, working hours may vary at times to suit port access requirements.
- No night work is planned for site establishment

What work will be undertaken?

The works will prepare the Waitohi Domain for use as a temporary construction access and storage area. Activities include:

- Installing temporary fencing, gates, signage, and site security
- Minor earthworks to create temporary access routes and working areas
- Construction of a temporary bridge over the Waitohi Stream
- Establishment of internal traffic routes, laydown areas, and crane platforms
- Approved vegetation removal

Please refer to the map below for the location of the proposed works.

Public access to the Waitohi Domain

To keep everyone safe during these works:

- **Temporary fencing and restricted areas** will be in place across Waitohi Domain
- Some **changes to pedestrian movement or access routes** may be required near the works area
- During the initial site establishment phase, public access to Waitohi Domain will be restricted
- Access arrangements will be reviewed and adjusted as the works progress.

What effects might you notice?

We will take all reasonable steps to minimise disruption. Nearby residents and businesses may notice:

- Increased construction vehicle movements
- Some daytime construction noise
- Occasional dust during earthworks

How impacts will be managed

Appropriate environmental and health and safety measures will be implemented throughout the works, including:

- Dust control and safe site practices
- Managed vehicle access and on-site movements
- Protection of the surrounding environment and nearby waterways
- Cultural and environmental oversight during ground-disturbing activity

Keeping you informed

If the works change or if activities with the potential for increased effects are planned, further notification will be provided where required.
